

GAME PLAY

A coin toss at midfield determines first possession and direction.

The ball may be snapped between the legs or at the side of the player to start play.

Starting at their own 5-yard line, the offense takes possession and has 3 downs to cross midfield for a 1st down. To the extent you do not secure a first down you have two options:

- 1) Punt: Possession changes with the other team starting drive on their own 5 yard line; or
- 2) A team can opt to go for it on a fourth down. However, if they do not make a first down (or score), the other team will take possession at the spot where the fourth down play ended.

Once a team crosses midfield, they have 3 downs to score a touchdown.

Interceptions may be returned for touchdowns or receive the distance returned when changing possession. Interceptions may not be returned for points on a P.A.T.

Teams change sides after halftime. Possession changes to the team who did not start with the ball in the first half.

GAME ROSTERS

Most teams consist of 8-10 players with 6 on the field. Teams must field a minimum of 4 players to play a recorded game. ONLY registered players are allowed to play for their own team. Any coach using a fill-in player not from the team roster will forfeit the game in which they were used. If occurring during the playoffs, the team is immediately disqualified from postseason play.

COACH PARTICIPATION

Divisions K, 1st/2nd and 3rd/4th Grade One coach is allowed on field per team Divisions 5th/6th, 7th/8th and

TIME OF PLAY

Games are a total of 40 minutes, played with two 20-minute running halves. There is a 5-minute break for halftime. Each team receives 2 timeouts per half which do not carry over to the 2nd half if unused. Each time the ball is spotted, an offense has 30 seconds to snap the ball. Teams may receive one warning before a delay of game penalty is enforced. If the score is within 8 points difference, the clock is stopped in the final 2 minutes of the 2nd half. During this time the clock will stop for all incomplete passes; when a ball carrier steps out of bounds; during change of possession and penalties (unless declined).

SUBSTITUTIONS

Coaches are free to handle substitutions as they deem appropriate on a play by play basis. Please be respectful of all players and we encourage you to provide your players equal playing time.

SCORING

Touchdown 6 Points

Extra Point (5-yard line – pass ONLY) 1 Point

2-Point Conversion (10-yard line) 2 Points

If the defense team returns an extra point attempt for a score, they get the point/s the offensive team was attempting.

Mercy Rule: At 29 point differential, the team will now only have 2 downs to get a first, or 2 downs to score. Max differential in score posting will be 35 points.

OVERTIME

If the score is tied at the end of 40 minutes, overtime will be handled as follows (ONLY IN PLAYOFFS):

- A coin toss determines possession. First possession will alternate with each subsequent round that is needed. • Both offenses go in same direction throughout OT.
- If at any time during OT the ball is intercepted and returned for a touchdown, the game ends.

Each offense has 3 downs starting at the opponent's 10-yard line. One complete overtime period is defined as each offense having had one opportunity to convert.

To the extent an offense converts their opportunity into a touchdown, they will then attempt an extra point. They may choose to go for either 1 or 2 points. Exception: If the first team does not score and the second team does, the game ends and there will be no extra point attempt.

The winner is whichever team is leading (including any extra points) after each team's offense has had its opportunity.

If both teams are tied after the first OT, each team will play the same OT rule again going from the 10 yard line and attempting an extra point after a touchdown.

If the game remains tied after two complete OTs, One play from the 5 yard line; no extra points; pass only zone; any false start penalty may be declined.

PASSING

Pre-Snap Alignment: Offenses may not have more than two players in a tight alignment, either stacked or next to each other. If three receivers are on the same side of the ball, receivers must be fingertips length apart from one another with arms extended.

The QB has a 5-second (7-second for K/2) "pass clock". If the QB does not get rid of the ball within the time, the play is dead with a loss of down. Once the ball is handed off, the rule no longer is in effect.

Interceptions may be returned. Exception: During extra point attempts, play is ruled dead and attempt is unsuccessful.

Pass ONLY zones are set 5 yards out from the goal line and the 5 yards before midfield. This zone is in effect when the offense is trying for a "short yardage" touchdown or first down within five yards of the line. The purpose of these zones is to lower the chance of contact/injury by preventing teams from running the football with potential blockers.

In an effort to prevent potential contact, shovel passes and underhand forward tosses are both considered forward passes only if the ball crosses the line of scrimmage. Therefore, a screen pass where the ball fails to travel beyond the line of scrimmage in the air, even if it is technically a "forward" pass, is not permitted within the Pass ONLY zones.

All players are eligible to receive passes (including the QB, if the ball has been handed off, lateraled or pitched behind the line of scrimmage as per NFL Rules). As in the NFL, only one player is allowed in motion at a time. A player must have at

least one foot inbounds when making a reception. This one foot must be touching the ground in bounds prior to another part of the body touching the ground out of bounds.

OFFENSIVE RUSHING

The quarterback cannot run with the ball

“Center sneaks” are not permitted.

Hand-offs, laterals and pitches are allowed as per NFL rules.

The player who takes the hand-off, lateral or pitch can throw the ball from behind the line of scrimmage.

If a player receives a hand-off, lateral, or pitch in the Pass ONLY zone, the player must throw the ball forward for it to follow the Pass ONLY rule.

A forward lateral or pass in the backfield is considered a running play. The ball must cross the line of scrimmage in the air to be considered a forward pass.

Once the ball has been handed off, lateraled or pitched, all defensive players are eligible to rush.

Spinning is allowed. Jumping is allowed.

NO DIVING. 5-yard penalty from the spot of the dive.

The ball is spotted where the ball is at the moment the flag is pulled.

Player running with the ball must make an effort to avoid running through or initiating contact on the defensive player. Depending on the severity of the offense, an unsportsmanlike conduct penalty may be assessed.

DEAD BALLS

The ball carrier's flag is pulled

The ball carrier steps out of bounds

The ball carrier's knee touches the ground

A touchdown or safety is scored

If the ball carrier's flag falls out without a defensive attempt, the play remains live until the point when the next defender is close enough to make a flag pull. Play is called dead at official's discretion.

The ball carrier's clips/flags are NOT positioned at the hips. The referee shall determine when a defender is close enough to make a flag pull and spot the ball there.

The ball hits the ground as a result of a “fumble.” However, if the ball hits the ground during the center/quarterback exchange (or snap), it is not ruled dead unless the quarterback is having difficulty picking up the ball as a defender approaches. On a fumbled snap, only the quarterback is eligible to pick up the ball.

RUSHING THE QUARTERBACK

All players who rush the QB must be a minimum of ten yards from the line of scrimmage (as marked by the referee) when the ball is snapped. Any number of players can rush the QB. Players not rushing the QB cannot cross the line of scrimmage until after the ball has left the quarterback's hands (via pass, handoff, lateral, etc.) Only 1 blitz per set of downs. Once the ball leaves the quarterback's hands, the ten-yard rule no longer is in effect, and all defenders may go behind the line of

scrimmage. Prior to the snap of the ball, the referee will designate ten yards from the line of scrimmage.

PRESS COVERAGE

Defensive players may press wide receivers at the line of scrimmage. Contact should be limited and penalties will be enforced if a defensive player grabs, pulls, or pushes (NO “jamming”) an offensive player. As the field shortens, minimal contact may occur, similar to playing defense in the paint during a basketball game. There may be some contact when positioning but a defensive player cannot foul the offensive player. As long as the contact is not intentional, it is up to the referee’s discretion.

PENALTIES (ALL PENALTIES CAN BE DECLINED)

All penalties will be called by the referee. The referees have to make difficult judgement calls at times. Referees determine incidental contact that may result from normal run of play. Only the team captain may ask the referee questions about rule clarification and interpretations. Players cannot question judgment calls. Games cannot end on a defensive penalty, unless the offense declines it.

DEFENSIVE PENALTIES:	
Offside:	5 yards, repeat down
Pass Interference:	5 yards, repeat down
Illegal Contact: (blocking, running into the QB, etc.)	5 yards, repeat down

Unsportsmanlike Conduct: (includes any contact with the quarterback’s throwing arm.)	10 yards from spot of foul and automatic 1 st down / possible ejection
OFFENSIVE PENALTIES:	
Illegal Motion: (false start, more than one player in motion)	5 yards, repeat down

Flag Guarding:	5 yards from the spot of the foul and loss of down
Blocking/Shielding: (offensive player intentionally blocks or shields a defender)	5 yards from the spot of the foul and loss of down
Impeding the Rusher	5 yards and repeat the down
Charging: (not making an attempt to avoid the defender, thus causing contact)	5 yards from the spot of the foul and loss of down
Delay of Game:	Clock stops, 5 yards and repeat down. If it happens two times in a row, it will result in an additional 5 yards and a loss of down
Unsportsmanlike Conduct:	10 yards from line of scrimmage/loss of down / possible ejection
Pass Clock Violation: (QB not getting rid of ball w/in 7 sec.)	Loss of down

SPORTSMANSHIP

If the Referee or Commissioner witnesses any acts of tackling, elbowing, cheap shots, blocking or ANY unsportsmanlike act, the game will be stopped, and the player/coach or fan may be ejected from the game.

****FOUL PLAY OR UNSPORTSMANLIKE CONDUCT BY ANYONE WILL NOT BE TOLERATED!!****

Officials have the right to determine what constitutes offensive language. Offensive language towards officials, opposing players, teams or spectators is not acceptable in this league. If this occurs, the referee may give one warning and if it continues, the player(s), coach(es) and/or fan(s) will be subject to ejection from the field and premises. The game will not continue until the ejected party has left the premises. If they do not leave, the referee will forfeit the game immediately and award the Win to the opposing team.

Anyone ejected from a game (player, coach, fan), for any reason, will not be allowed on the premises for the next game. If they are ejected a 2nd time during the season, they will be banned from the remainder of the season and are subject to dismissal from the league. In such a scenario, NO REFUND will be issued.
